Management Discussion and Analysis

The board of directors of Tysan Holdings Limited (the "Company") ("Board of Directors") is pleased to announce the unaudited consolidated results of the Company and its subsidiaries (the "Group") for the six months ended 30 June 2020. During the period under review, the Group recorded a turnover of HK\$1,469 million (period ended 30 June 2019: HK\$1,346 million) and a loss attributable to ordinary equity holders of the Company of HK\$92 million (period ended 30 June 2019: loss of HK\$1,121 million), representing a loss of HK\$0.03 per ordinary share of the Company ("Share") (period ended 30 June 2019: a loss of HK\$0.33 per Share).

Business Review

Foundation Piling

For the period under review, turnover of the Group's foundation piling segment was HK\$1,451 million (period ended 30 June 2019: HK\$1,251 million) and the segment recorded a loss of HK\$72 million (period ended 30 June 2019: HK\$66 million). The loss was mainly due to market factors such as labour shortages, rising operating costs, low margin jobs awarded in prior years and market competitions which remain intense.

The Group's major contracts on hand include, inter alia, a public housing project at Pak Tin Estate Phase 10, the private development project at New Kowloon Inland Lot No. 6549, the commercial development projects at Kai Tak twin towers, Taikoo Place Phase 2B, Tsuen Wan Town Lot No. 428 on Ma Kok Street, Tsuen Wan Town Lot No. 49 on Sha Tsui Road, Tuen Mun Town Lot No. 544, Inland Lot No. 9065 on Gage Street and Graham Street, and Hutchison House redevelopment, and the residential development projects at Pak Shek Kok Tai Po Town Lot No. 244 Tai Po, New Kowloon Inland Lot No. 6551 and Tai Po Town Lot No. 157, Sai Sha, Shap Sz Heung.

Investment Activities

Disposal of a Subsidiary of the Company

On 22 November 2019, Tysan Investment Limited ("Tysan Investment"), a wholly-owned subsidiary of the Company, entered into a sale and purchase agreement to dispose of the entire issued capital of Uni-Genius Investments Limited and the shareholder's loan owed to Tysan Investment at a total consideration of HK\$343,200,000. Completion of this disposal took place on 5 March 2020. Details of the said disposal have been set out in the announcement of the Company dated 22 November 2019.

Prospects

COVID-19 continues to weigh on Hong Kong's economy. Due to a new wave of the infections, the government has imposed tighter social distancing measures, which are devastating for many service-related industries.

While we expect the Group's short-term business prospects to remain challenging, our main business, foundation piling and construction, is showing signs of improvement. We are fortunate that the foundation piling sector is relatively insulated from the impacts of COVID-19; demand for the Group's foundation piling work remains stable, driven by the resilience of Hong Kong's residential market and construction activities. As a matter of fact, we have seen a mild pick-up of new businesses in our foundation piling and construction segment in recent months. While competition remains keen and profit margins are tight, we are cautiously optimistic that the worst times are behind us. As we have taken the past year to critically examine our existing set-up (including our people and our fleet of equipment) and re-align our focus on driving bottom-line profits, we expect our financial performance to gradually improve in the near future.

In light of the challenging economic conditions, the Group will be prudent in assessing potential investment opportunities in properties. The Group remains in a net cash position and we would have the ability to raise meaningful capital for potential property investments should we come across any good opportunities in the sector.
