1. INTRODUCTION

At the last annual general meeting of the Company held on 30 May 2024, ordinary resolutions were passed granting general mandates to the Directors to exercise the powers of the Company (1) to

LETTER FROM THE BOARD

repurchase Shares in the share capital of the Company up to 10% of the number of Shares in issue as at 30 May 2024, (2) to issue, allot and deal with additional Shares and other securities of the Company up to 20% of the number of Shares in issue as at 30 May 2024, and (3) conditional upon the granting of the aforesaid general mandates, to issue and allot additional Shares and other securities of the Company up to an amount representing number of Shares repurchased under the aforesaid general mandate described in item (1) above provided that such additional amount shall not exceed 10% of the number of Shares in issue as at 30 May 2024. The aforesaid general mandates will lapse at the conclusion of the forthcoming Annual General Meeting to be held on Monday, 26 May 2025.

Accordingly, the Directors propose to seek the approval of the Shareholders at the Annual General Meeting to grant to the Directors similar general mandates, details of which are set out below and in the Notice.

Further, pursuant to the Bye-laws, some of the Directors are required to retire at the Annual General Meeting but shall be eligible for re-election thereat.

The purpose of this circular is to provide you with information on the Proposed Resolutions concerning, *inter alia*, such general mandates, the re-election of the retiring Directors and the proposed final dividend.

2. PROPOSED GENERAL MANDATE TO REPURCHASE SHARES

At the Annual General Meeting, an ordinary resolution will be proposed that the Directors be given a general mandate, being the Share Repurchase Mandate, to exercise the powers of the Company during the Relevant Period (as defined in the Notice) to repurchase Shares up to a maximum of 10% of the number of Shares in issue as at the date of passing of the relevant resolution at the Annual General Meeting. As at the Latest Practicable Date, the number of Shares in issue was 3,366,035,709 Shares and the Company did not hold any treasury shares. On the basis of such figure, subject to the passing of the resolution granting the Share Repurchase Mandate, and assuming there is no issue or repurchase of Shares after the Latest Practicable Date up to and including the date of the Annual General Meeting, the Directors would be authorized under the Share Repurchase Mandate to repurchase up to 336,603,570 Shares, representing approximately 10% of the issued Shares.

The Share Repurchase Mandate, if approved, will expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company; or (b) the expiration of the period within which the next annual general meeting of the Company is required by the Bye-laws or any applicable law to be held; or (c) the date on which the authority set out in the Share Repurchase Mandate is revoked or varied by ordinary resolution(s) of the Shareholders in a general meeting.

The explanatory statement, as required under the Listing Rules, to provide the requisite information on the proposed Share Repurchase Mandate to the Shareholders for consideration and to allow them to make an informed decision as to whether to vote for or against the resolution in respect of the Share Repurchase Mandate at the Annual General Meeting, is set out in Appendix I hereto.

3. PROPOSED GENERAL MANDATE TO ISSUE ADDITIONAL SHARES

In addition to the above, in order to ensure flexibility and discretion to the Directors in the event that it becomes desirable to issue and allot any additional Shares and other securities of the Company, an

LETTER FROM THE BOARD

ordinary resolution will also be proposed at the Annual General Meeting to give the Directors a general mandate, being the General Mandate, to issue and allot additional Shares and other securities of the Company, including warrants and debentures convertible into Shares up to a maximum of 20% of the number of Shares in issue as at the date of passing of the relevant resolution at the Annual General Meeting. As at the Latest Practicable Date, the number of Shares in issue was 3,366,035,709 Shares. On the basis of such figure, subject to the passing of the resolution granting the General Mandate, and assuming there is no issue or repurchase of Shares after the Latest Practicable Date up to and including the date of the Annual General Meeting, the Directors would be authorized under the General Mandate to allot and issue up to 673,207,141 additional Shares, representing approximately 20% of the issued Shares.

The General Mandate, if approved, will expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company; or (b) the expiration of the period within which the next annual general meeting of the Company is required by the Bye-laws or any applicable law to be held; or (c) the date on which the authority set out in the General Mandate is revoked or varied by ordinary resolution(s) of the Shareholders in a general meeting.

As at the Latest Practicable Date, the Listing Rules provide that, unless the Stock Exchange agrees otherwise, in the event the General Mandate is exercised and Shares are placed for cash consideration under the General Mandate, the issue price of the Shares may not be at a price which represents a discount of 20% or more to the benchmarked price of the Shares, such benchmarked price being the higher of:

- (i) the closing price of the Shares as quoted on the Stock Exchange on the date of the relevant placing agreement or other agreement involving the proposed issue of securities under the General Mandate; and
- (ii) the average closing price of the Shares as quoted on the Stock Exchange in the 5 trading days immediately prior to the earlier of:
 - (a) the date of announcement of the placing or the proposed transaction or arrangement involving the proposed issue of Shares under the General Mandate;
 - (b) the date of the placing agreement or other agreement involving the proposed issue of Shares under the General Mandate; and
 - (c) the date on which the placing or subscription price is fixed.

In terms of the price at which Shares may be issued at time of exercise of the General Mandate, the Company will comply with the then prevailing requirements under the Listing Rules.

In addition, a resolution will be proposed to extend the General Mandate by way of the Additional Mandate, by adding to it the aggregate number of Shares actually repurchased under the Share Repurchase Mandate, provided that such additional amount shall not exceed 10% of the number of Shares in issue as at the date of passing of the relevant resolution at the Annual General Meeting.

LETTER FROM THE BOARD

Pursuant to Bye-law 86(2) of the Bye-laws, Mr. Cho shall hold office until the next general meeting and shall then be eligible for re-election at the next general meeting, but, in accordance with Bye-law 87(2) of the Bye-laws, shall not be taken into account in determining which particular Directors or the number of Directors who are to retire by rotation at the Annual General Meeting. Accordingly, Mr. Cho shall retire from office at the Annual General Meeting, and, being eligible, will offer himself for re-election thereat.

Pursuant to Bye-law 87(1) of the Bye-laws, at each annual general meeting of the Company, one-third of the Directors for the time being (or, if their number is not a multiple of three, then the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement at least once every three years. Pursuant to Bye-law 87(2) of the Bye-laws, a retiring Director shall be eligible for re-election. Any Director appointed pursuant to Bye-law 86(2) shall not be taken into account in determining which particular Directors or the number of Directors who are to retire by rotation.

Accordingly and pursuant to Bye-law 87(1) of the Bye-laws, Mr. Justin Wai, Mr. Lau Kin Fai, Mr. Lung Chee Ming, George (“**Mr. Lung**”) and Ms. Jennifer Kwok (“**Ms. Kwok**”) shall retire from office at the Annual General Meeting and, being eligible, will offer themselves for re-election thereat.

At the Annual General Meeting, the re-election of each of the retiring Directors will be voted on individually by a separate ordinary resolution as set out in the Notice convening the Annual General Meeting.

The Nomination Committee has reviewed the structure and composition of the Board, the confirmations and disclosures given by the Directors, the qualifications, skills and experience, time commitment and contribution of the retiring Directors with reference to the nomination principles and criteria set out in the relevant policies of the Company. The Nomination Committee has recommended to the Board the re-election of the five retiring Directors, Mr. Justin Wai, Mr. Lau Kin Fai, Mr. Cho, Mr. Lung and Ms. Kwok who are due to retire at the Annual General Meeting.

Continuous appointment of an Independent Non-executive Director who has served for more than nine years and re-election of Independent Non-executive Directors

Mr. Lung has served as an Independent Non-executive Directors for more than nine years.

Further, in accordance with Code B.3.4 of Appendix C1 of the Listing Rules, the Nomination Committee has assessed and reviewed the re-election of Mr. Lung and Ms. Kwok as Independent Non-executive Directors.

LETTER FROM THE BOARD

The Company has received confirmation of independence pursuant to Rule 3.13 of the Listing Rules from each of Mr. Lung and Ms. Kwok. The Nomination Committee held meeting to discuss and evaluate the performance of each of Mr. Lung and Ms. Kwok and their respective independence.

Taking into consideration factors such as their (i) non-executive role within the Group during their tenure; (ii) positive contributions to the development of the Company's strategy and policies; (iii) invaluable insight and understanding of the business of the Group obtained over their tenure from active participation in meetings; and (iv) consistent demonstration of strong independence in judgement and effective oversight of the management during their tenure in each case supported by their skills, expertise and qualifications, it was considered that Mr. Lung, notwithstanding the fact that he has served the Company for more than nine years, and Ms. Kwok are independent according to the independence guidelines set out in the Listing Rules and it was considered that the length of service of Mr. Lung has not affected his independence.

In light of Mr. Lung's extensive working experience in the insurance industry and Ms. Kwok's extensive working experience in the finance field, the Board is of the view that each of Mr. Lung and Ms. Kwok will continue to bring valuable independent judgment, business experience, knowledge and professionalism to the Board. In addition, the Board believes that the continuous appointment of Mr. Lung and Ms. Kwok contributes to the stability and diversity of the Board. Accordingly, the Nomination Committee has recommended to the Board that Mr. Lung and Ms. Kwok shall be subject to retirement by rotation, be eligible for re-election and be re-elected by way of a separate resolution to be approved by the Shareholders at the Annual General Meeting. Mr. Lung and Ms. Kwok did not participate in the discussions and had abstained from voting on resolutions regarding his/her own re-election at the meeting of the Nomination Committee and the Board.

Details of Directors who are proposed to be re-elected at the Annual General Meeting are set out in Appendix II hereto.

As at the Latest Practicable Date, issued Shares comprised 3,366,035,709 Shares and it did not have any treasury shares. Subject to the passing of Ordinary Resolution A as set out in paragraph 10 of the Notice and on the basis of such figures and that no further Shares are issued or repurchased prior to the Annual General Meeting, the Company would be allowed under the Share Repurchase Mandate to repurchase a maximum of 336,603,570 Shares. The aggregate number of Shares which the Company is authorized to repurchase shall not exceed 10% of the number of Shares in issue at the date of passing of the relevant resolution.

2. REASONS FOR REPURCHASE

The Directors believe that the Share Repurchase Mandate affords the Company the flexibility and ability to repurchase Shares in the market in pursuing the best interests of the Company and its Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, be beneficial to the Shareholders by enhancing the net assets and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and its Shareholders.

3. SOURCE OF FUNDS

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum of Association and the Bye-laws, the applicable laws of Bermuda and the Listing Rules.

The Directors propose that such Share repurchases, if and when to be effected, would be appropriately financed by the Company's internal resources and/or available banking facilities.

4. IMPACT ON WORKING CAPITAL

The Directors note that there might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the annual report of the Company for the year ended 31 December 2024) in the event that the Share Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period.

Accordingly, the Directors only propose to exercise the Share Repurchase Mandate during the proposed repurchase period when and to such an extent that the Directors determine, taking into consideration all prevailing relevant factors, that the timing of such repurchases and the extent thereof are in the best interests of the Company.

5. PRESENT INTENTION OF THE DIRECTORS AND CLOSE ASSOCIATES

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their close associates, have any present intention to sell any Shares to the Company under the Share Repurchase Mandate if such mandate is approved by the Shareholders.

6. DIRECTORS' UNDERTAKING

The Directors will exercise the powers of the Company to make repurchases of Shares pursuant to Ordinary Resolution A as set out in paragraph 10 of the Notice in accordance with the Listing Rules, the Memorandum of Association and Bye-laws, and the applicable laws of Bermuda.

7. THE TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases subsequent to exercise of the powers to repurchase Shares pursuant to the Share Repurchase Mandate, such an increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date and insofar the Directors are aware of, the Controlling Shareholder held 2,356,146,781 Shares, representing approximately 70.00% of the issued share capital of the Company. If the Share Repurchase Mandate is fully exercised, the interest of Controlling Shareholder in the Company will be increased to approximately 77.78%. In the opinion of the Directors, such an increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code but would contravene the requirement under Rule 8.08 of the Listing Rules that at least 25% of the Shares must be held by the public. The Directors have no intention to repurchase any Shares to the extent that it will cause the public float of the Company to fall below 25%.

Save as aforesaid, the Directors are currently not aware of any consequences which will arise under the Takeovers Code as a result of any repurchase made under the Share Repurchase Mandate.

8. SHARES REPURCHASE MADE BY THE COMPANY

The Company has not purchased any Shares (whether on the Stock Exchange or otherwise) in the six months immediately preceding the Latest Practicable Date.

The Directors have no present intention to repurchase any Shares pursuant to the Share Repurchase Mandate.

9. CORE CONNECTED PERSONS

No core connected persons have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Share Repurchase Mandate is approved by the Shareholders.

10. CONFIRMATION

The Company confirms that this explanatory statement contains the information required under Rule 10.06(1)(b) of the Listing Rules and that neither this explanatory statement nor the Share Repurchase Mandate has any unusual features.

11. STATUS OF REPURCHASED SHARES

In the event that the Share Repurchase Mandate has been exercised, the Company intends to cancel the relevant repurchased Shares.

12. MARKET PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months prior to the Latest Practicable Date were as follows:
